Brad Krulicki presents Doctor Charles Bernstein a cheque for research for \$100,000.00

Brad has been suffering with Crohn's Disease for years and Austin (his son) has been recently diagnosed with the disease. This is where the **passion** comes from; to start a charity to raise funds to **promote awareness**, provide **funds for research**, and to **help newly diagnosed** children, adolescents, and adults. These diseases are increasing at an alarming rate and "we" want to assist in the healing process. **There is no cure... yet!!**

Our Vision: To improve the quality of life for people affected with Crohn's, Colitis and IBD

Our Mission: To fund research, promote awareness and ensure patients to receive the most up to date treatments, through donations and fundraising.

Registered Charity Number 721443927RR0001

Guts represent the area of disease; **Roses** represent how others perceive us; **Thorns** represent the pain we feel
